July 2010

Don't forget its New Zealand's Gamblefree Day on September 1

Celebrate a Gamblefree community day in Glen Innes - Saturday September 4th at 10am

Let's put the 'fun' back into fundraising

I am currently putting together a booklet on fundraising which has a huge list of ideas for events which could be used to raise money instead of applying for pokie funding. There are other NZ booklets available which will help groups to look at using alternative funding, as well as the three PGF fact sheets which are available online at <http://www.pgfnz.org.nz/Fact-Sheets-/0,2731,13132,00.html>

The **North Shore Community and Social Services** have written a series of booklets which focus on fundraising and community events for the NGO sector.

They are:

1. *Demonstrating your success to win funding*
2. *Preparing funding applications*
3. *Organising a community event*
4. *A guide to developing a fundraising strategy.*

These are available for use at the or can be purchased at <http://www.nscss.org.nz/publications/resources>

Another NZ community publication is by Kerri Tilby and is the *Seriously good guide to fundraising* (CD), and the *Top 20 checklists for community groups*. They can be found at <http://www.exult.co.nz/>. There is a cost involved for these.

CommunityNet also has a *How to guide: Community Resource Kit* available at <http://www.community.net.nz/how-toguides/crk/> This has a chapter on fundraising.

Fundview is available at most public libraries for free and has a huge database of place to apply to for funding. Although be aware that it does include pokie trusts. <http://www.fis.org.nz/index.php?page=FundView>

Ministry for Culture and Heritage also has a database at <http://www.mch.govt.nz/funding-guide/>

ASB community Trust has non pokie funding available. <http://www.asbcommunitytrust.org.nz/funding>

**Please come and visit the library at PGFNZ Auckland Office
Level 1, 128 Khyber Pass Road, Grafton, Auckland.
Hours are 8.30am - 5.00pm during the week**

New resources added to the library in last month
